Declaration

All material facts must be disclosed to Underwriters whether or not the subject of a specific question above.

A material fact is one which a prudent Underwriter would regard as likely to influence the acceptance or assessment of the proposal.

Non-disclosure or misrepresentation of material fact may result in the insurance being void.

If you are in any doubt about whether facts would be considered material, you should disclose them.

I declare that the particulars and answers are correct and complete in every respect to my knowledge and belief.

I agree that this proposal and declaration shall form the basis of the contract of insurance between me and the Underwriters if a policy is issued.
